TRICK OR TREAT!

This year, we will celebrate Halloween on Saturday, October 30th.

As always, our primary concern is for the safety of our children. For our new residents, we typically trick or treat once it gets dark.

Please remember these helpful tips:

- Adults accompany children
- Carry a flashlight
- No light on = No one home
- Cross at corners
- Stay on one side of the street
- Have FUN!

We do expect trick or treaters on the 31st – participation is your option
